01. ABOUT US

Granudan is the exclusive supplier of innovative surface solutions and equipment for high advanced composites and various types of ordinary plastic moldings. We are a technical partner who designates the best suitable products with a practical approach.

Our mission is to continuously ensure an optimized mold maintenance program for our customers, thus ensuring the highest possible economic and time savings. We are experts in green solutions and our ambition is to ensure that green chemistry takes a greater place in several productions and industries – for a better future for the workers and our world.

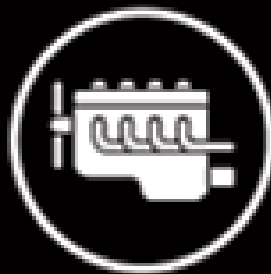

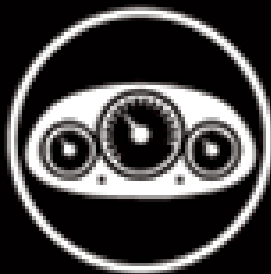

02. FARÉCLA G3 PRO SERIE

ALL PRODUCTS FOR AFTERMARKET SALES

G3 Pro formulas are a range of detailing products designed to **CLEAN**, **RESTORE** and **FINISH** surfaces such as automotive paintwork, boat surfaces and wood lacquers, amongst others.

CLEAN the surface in the safest way to prevent surface damage. **RESTORE** the surface after cleaning to enhance the surface condition. **FINISH** by sealing the restored surface, protecting and enhancing the shine.

These sections help organise the order that the products are used in the perfect detailing process, even though some products fit into multiple categories.

03. CLEANER

G3 PRO MULTICLEANER, 500 ML

- All purpose cleaner (APC), safe on all surfaces - no staining
- Breaks down oil and grease, powerful on stubborn marks
- Will not discolour rubber, plastics, vinyl or fabric
- Silicone free – bodyshop safe

G3 PRO LEATHER CLEANER, 500 ML

- Safe cleaner with non-slippery finish
- Foaming action which reaches deep into soiled areas and lifts dirt making it easy to wipe away
- Contains natural lanolin oils
- Silicone free – bodyshop safe

04. RESTORE

G3 PRO SCRATCH REMOVER LIQUID, 500 ML

- Eliminates light scratches or diminishes the look of deeper defects
- Easy to spread liquid - ideal for larger areas
- Easy application by hand or machine
- Silicone free - bodyshop safe

G3 PRO ALL-IN-ONE POLISH, 500 ML

- All-in-one cutting polish, gloss enhancer and paint protector
- Easy one-step application
- Ideal for hand use or with a dual action polisher
- Silicone free - bodyshop safe

05. FINISH

G3 PRO RESIN SUPERWAX, 500 ML

- Long-life, high gloss finish
- Easy glide wax
- Interlinked system of Carnauba, Montanic and Paraffin waxes
- Up to 4 months protection
