CLEAN & FINISH

QUICK CLEAN AND HIGH SHINE LOOK ON BODYWORK, RUBBER, PLASTIC AND CHROME

PRODUCT DESCRIPTION

G3 Pro Rapid Detailer is a mild cleanser for use between washes to prevent the build-up of contaminants that can become ingrained into your paintwork. It removes light dirt, dust and fingerprints and leaves a 'just-waxed', high gloss finish without stripping previously applied polishes and waxes from the surface. It is a safe product that can be used every day.
