About us

# 01. PROFILE-RANGE

## PROFILE 100

This “liquid sandpaper”, **Profile 100 Extra Heavy Cut** is a coarse, water-based cutting compound designed for aggressive compounding on tough resins and gel coats.

It removes P600 dry sanding marks from most substrates, leaving a relatively low gloss finish.

100 ml or 3 kg

## PROFILE 200

**Profile 200 Select Coarse Cut** is a great value, versatile cutting compound aimed at OEM applications.

Used with a G-Mop Twisted Wool Compounding Pad, Profile 200 Select quickly removes P800 or finer sanding marks from tooling or production gel coats in a one-step process. Performs best when shaken before use and run at high speed (2000 – 3500rpm).

100 ml or 1 litre

## PROFILE 350

**Profile 350 Premium Liquid GRP Fast Medium Cut Liquid Compound** is a high performance, water-based cutting compound which removes P1200 or finer sanding marks from production gel coats and painted finishes, and is the perfect solution for restoring oxidised and weathered gel coat surfaces.

Great on dark colours and delivers a high gloss finish.

100 ml or 1 litre

## PROFILE 400

Offering the highest level of cut and gloss on painted surfaces and wood lacquers, **Profile 400 Advanced Plus Fast Medium Liquid Compound** commands a higher price than other Profile compounds but is less likely than others to require a second finishing step – a much appreciated time-saving in high volume operations.

100 ml or 1 litre

# 01. PROFILE-RANGE

## PROFILE 700

**Profile 700 Finish Light Cut Polish & Swirl Remover** is a very fine finishing compound designed to remove any light swirl marks and holograms from high quality painted lacquered and gel coat surfaces to leave the ultimate high gloss finish.

It will not scratch and is particularly good on soft coatings which are susceptible to swirl marks.

100 ml or 1 litre

## PROFILE UV, MACHINE

**Profile Polymer UV Wax Machine Application** is a high performance polymeric liquid wax specially developed for ultimate gloss and water resistance, whilst protecting against UV degradation.

It is highly resistant to drying out and can be polished to easily leave a durable high gloss on most surfaces.

1 litre

## PROFILE UV, HAND

**Profile UV Wax Hand Application** is a liquid wax incorporating special UV absorbers to give up to 3 months protection to gel coats and paints exposed to external weathering.

Profile UV Wax will give a high gloss, long-lasting finish on most surfaces and is particularly suitable for use on boats, caravans, trains and planes.

1 litre

## CLEAN AND PROTECT

**Clean and Protect Spray** is versatile and can be used on all paint\*, gelcoats, glass, rubbers and plastics. Can be used on satin and matt finishes, as well as gloss paintwork.

\*On the flattest of matt finishes, exercise caution and test first on an inconspicuous area.

Clean and Protect an easy to use "wipe on, wipe off" product.

1 litre

# 02. G-RANGE

## **G3, REGULAR GRADE PASTA COMPOUND**

**G3 Regular Grade Paste** is a rubbing compound recommended for use on OEM and refinish paint systems to reliably cut P1500 or finer sanding marks.

This versatile product can be used by hand or machine, to deliver permanent results – no fillers.

400 ml or 3 kg

## **G6, RAPID GRADE PASTA COMPOUND**

**G6 Rapid Grade Paste** Compound is for use on OEM, Refinish Medium Solids and Air Dried 2k paint systems.

Permanent Finish removes P1500 abrasive marks quickly and easily with no fillers.

This versatile product can be used by hand or machine, to deliver permanent results – no fillers.

400 ml or 3 kg

## **G10, FINISHING COMPOUND**

**G10 Finishing Compound** is ideal for removing light scratches or swirl marks, especially on darker colours.

Perfect finish – Quickly gives a high-gloss finish and ultimate finish, saving time and money.

500 ml

# 03. G3 PRO CLEAN

## HIGH SHINE SHAMPOO

**G3 Pro Shampoo** delivers a high foaming action with special lubricants that provide a smooth, easy glide use to remove harsh contaminants without scratching.

Highly concentrated formula means a little goes a very long way  
20 ml of shampoo:  
10 litres of water  
- great quality to value ratio.

500 ml

## LEATHER CLEANER

**G3 Pro Leather Cleaner** has a foaming action which reaches deep into soiled areas and lifts dirt making it easy to wipe away.

It leaves a natural, 'new look' finish, and a safe, non-slippery surface. It can also be used in the home on leather furniture.

500 ml

## MULTICLEANER

**G3 Pro Multicleaner** is a rigorous yet safe all purpose cleaner (APC) for use on all soft and hard surfaces, including engine bays, wheel arch liners, carpets and upholstery.

It is a silicone-free cleaning product that will not discolour rubber, plastics, vinyl or fabric.

500 ml

## RAPID DETAILER

**G3 Pro Rapid Detailer** is a mild cleansing spray for use between washes to prevent the build-up of contaminants that can become ingrained into your paintwork. It removes light dirt, dust and fingerprints and leaves a 'just-waxed', high gloss finish without stripping previously applied waxes from the surface.

It is a safe product that can be used everyday.

500 ml

# 03. G3 PRO RESTORE

## ALL-IN-ONE POLISH

**G3 Pro All-In-One Polish** is a highly versatile product. High spec compounding technology is built into this polish to combine great cutting of medium and minor defects with a deep gloss finish. Use by hand or with a polishing machine to eliminate medium and minor scratches, swirls, holograms, oxidation, watermarks and more, leaving a high shine finish and a base layer of water repellency prior to final sealing or waxing.

500 ml

## SCRATCH REMOVER

**G3 Pro Scratch Remover Liquid** permanently removes minor scratch marks that do not stop your fingernail when run over the surface.

The appearance of deeper scratches will be diminished. G3 Pro Scratch Remover Liquid spreads easily and is ideal for larger areas.

500 ml

## APPLICATOR WAFFLE

**The G3 Pro Applicator Waffle Pads** reduce effort and increase effectiveness when applying G3 Pro products. Their unique surface minimises wastage and ensures you get the ultimate finish in the shortest time.

2 pads

# 03. G3 PRO FINISH

## GLASS CLEANER

**G3 Pro Glass Cleaner** is a powerful, high performance cleaner that cuts through dirt, grime and road film without leaving smears, streaks or rainbows when using window wipers.

500 ml

## RESIN SUPERWAX

**G3 Pro Resin Superwax** is specially formulated with an interlinked protection system and a unique blend of waxes.

Our concentrated liquid car wax is the ideal choice for car enthusiasts looking for an easy-to-apply solution for protecting bodywork from the everyday traffic film and an impressive gloss.

500 ml

## SPRAY WAX

**G3 Pro Spray Wax** rapidly provides a layer of Carnauba wax, leaving a streak-free finish with an enhanced gloss. Safe on non-porous surfaces and prolongs previously applied wax finishes.

Does not stain rubber or plastics.

500 ml

## SUPERGLOSS PASTA

**G3 Pro SuperGloss Paste Wax** is a highly refined wax to create the perfect blend for even application.

Made with selected hydrocarbons, microwaxes and high grade Carnauba wax, the results are an exceptional ultra high gloss finish and up to 6 months protection.

200 g

# 04. POLISHING PADS & ASSESSORIES

## LAMBS WOOL PAD

### G-Mop Lambs Wool Pad

These pads are constructed using natural sheepskin and a velour backing, making it a more sustainable product than foam.

It gives a high cut and great finish, depending on the product used. G-Mop 6" Lambs Wool Pads are ideal for smaller and spot repair areas. Features hook and loop system. For bigger areas use 8".

6" or 8"

## SINGLE-SIDED PAD

### G-Mop wool compounding single-sided pad

G-Mop, single-sided pad is a 4-layer, 100% wool applicator. It has the highest cut of any polishing applicator.

Single-sided pads are ideal for when polishing different coloured surfaces or when using different products.

8"

## WOOL PAD

### G-Mop Wool compounding double-sided pad

G-Mop, double-sided wool pad is a 4-layer applicator made of 100% wool. It is mainly used for fine polishing.

Double-sided wool pads are ideal for polishing different colored surfaces or when using different products.

Fine polishing or rough sanding.

8"

## COMPOUNDING HEAD

**Advanced G-Mop Compounding Head** with fixed backing plate and integrated interface layer for extra durability.

Our G-Mop Compounding Head is an advanced product with a 6" foam applicator pad for general use, but with a double layer foam head for faster cutting processing and a high cut.

14 mm

# 04. POLISHING PADS & ACCESSORIES

## FLEXIBLE BACK PLATE

**G-Mop. Flexible Back Plate**, flexible backing plate allows improved handling performance.

Flexible Back Plates allow applicator pads to ride swages and contours for ease of compound application in difficult areas.

6" or 8"

## ADVANCED BACK PLATE

**G-Mop. Advanced Back Plate**  
A 6" back plate designed for use with our Advanced AGM-CF and AGM-PF applicators.

6"

## POLISHING MACHINE

### G Plus Electric rotary Polishing Machine

The G Plus Rotary Polishing Machine has been developed to Farécla's own specifications with a high torque motor, suited to 6" and 8" pads.

The polishing machine is lightweight, well balanced and provides cool running for large polishing jobs.

The thumb-operated speed control gives variable speed control from 700-2500 RPM.

## ACDELCO POLISHER

### ACDelco mini polishing machine

Our 75mm cordless rotary mini polishing machine as a versatile lightweight machine ideal for small repair jobs.

This improved model offers the same benefits you are used to but is now faster and lighter without compromising performance and battery life!

# 04. POLISHING PADS & ACCESSORIES

## SPURRING BRUSH

**Spurring Brush** for manually cleaning excess compound from a pad.

For quick and easy cleaning of pads when spun on a machine.

## SPRAY BOTTLE

### G Plus Spraybottle

Use with products from G-series that require water for most optimal results.

Gives an even dispersal.

Ensures a supply of clean water to minimise contamination.

Can be used with all sprayable liquids.

600 ml

## ADAPTER

**G-Mop quick change adaptor** for double sided pads.

Quick screw fit system to polishing machines.

Screw on and off design.

For use with double sided pads.
